Beautify the Heights Help Fight the Blight Community Empowerment Clean Ups

EVERY 3RD SATURDAY

MAY 21 | JUNE 18 | JULY 16 | AUGUST 20

TIMES: 8:00 AM - 2:00 PM

Join us as we work to beautify the heights! The Fight Blight initiative is working hard to combat and clean up local neighborhoods with the help of engaged citizens. Blight threatens public safety, lowers property values, and degrades the quality of life. Muskegon Heights neighborhoods can become safer, cleaner, and more beautiful places for all of us to live if we work together — *Reaching New Heights*—to fight blight.

WE NEED YOU!

Every 3rd Saturday, 4 clean-ups will be happening at once in different quadrants. Each of these teams is being led by community members! Each Saturday we will be tackling different blocks! Sign up today by going to the website listed below!
